

Calivigny Cove

Modern Duplex Home for Sale in Egmont, St George, Grenada

Enquire

Calivigny Cove is the most exciting large development parcel available on Grenada's south coast! Unbeatable location of Egmont Harbour, tucked between the residential neighbourhoods of Egmont and Fort Jeudy.

Calivigny Cove boast thirty two acres of beautiful views, along hillside and beachfront property. Also featured, is eight acres of water rights in the most protected harbour on the entire Island – Egmont Harbour.

This gives the property the unique opportunity to be established as a hotel, villa and marina development. Deep channel access (30 ft shallowest section) means that the largest of private yachts can easily navigate to the site.

Please see development sketch showing what could be accomplished. More information available.

15 minute drive to International Airport. Calivigny Island in close proximity.
